

# **INVITATION**

## **Topcompetition TC2**

**Baarn (NL) – 13 & 14 April 2019**

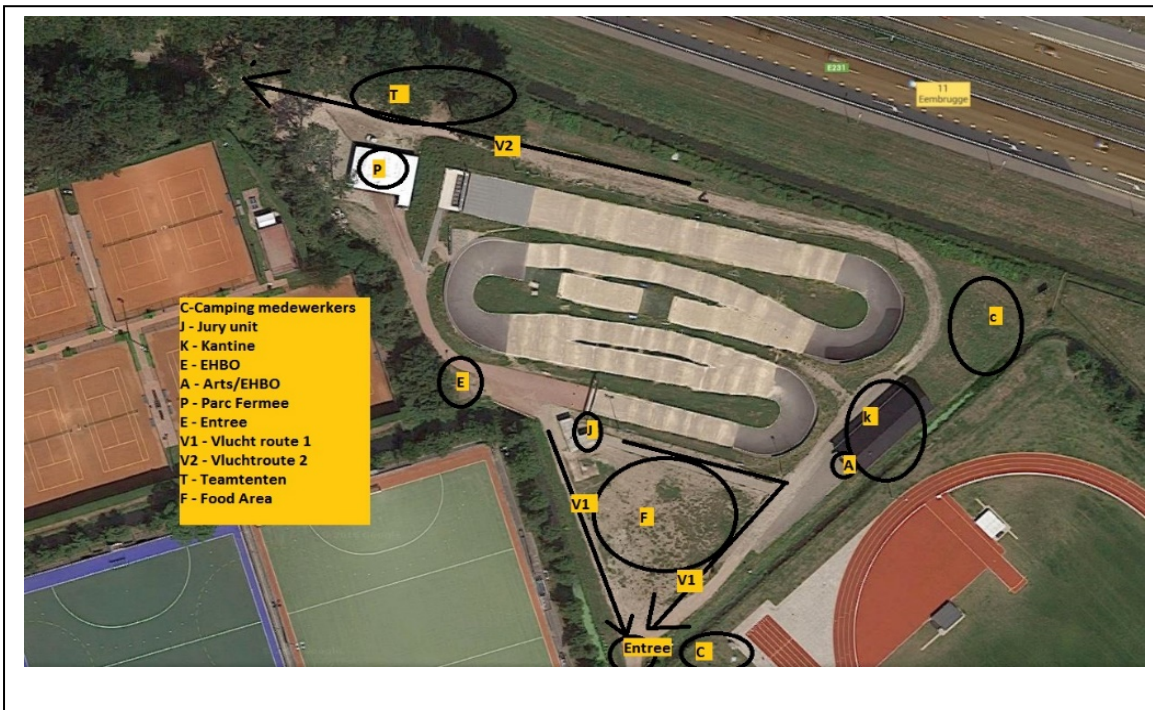

## Welcome

We are very proud to welcome all the athletes, teams, officials and spectators at the Husqvarna BMX track in Baarn. The second race of the Dutch Topcompetition 2019 will be our second international race. The track was built in 2013 by a joint venture of Schijf Holland and Pro Tracks France. The track has a 5 m startinghill and a Pro Section in the second straight. The 3rd straight is divided in two lanes.

Our track is located in Baarn, only 40 km from Amsterdam and 50 km from Schiphol Airport.

## Routebeschrijving :

Vanaf afrit 11 Baarn - Eembrugge onderaan de afrit rechts. Ronde rechts (De Geerenweg op). Na ca. 300 meter rechts ligt het hoofdparkeerterrein van "Sportpark Ter Eem". Als hier geen plaats meer is, kunt u ca. 300 meter verder rijden alwaar links een parkeerterrein ligt. Ca. 300 meter verder is een derde parkeerterrein rechts tegenover het Sportcentrum De Trits. Ook tegenover en achter Sportcentrum De Trits is er nog mogelijkheid tot parkeren.

Vanaf afrit Baarn (bij Nijhof) onderaan de afrit links. Ronde rechtdoor, volgende ronde links (3e afslag Drakenburgerweg, later De Geerenweg) en de parkeerterreinen komt u in omgekeerde volgorde zoals boven beschreven tegen.

From exit 11 Baarn - Eembrugge turn right at the bottom of the exit. Turn right at the roundabout (onto the Geerenweg). After about 300 meters turn right into the main parking lot of "Sportpark Ter Eem". If there is no space left, you can drive approx. 300 meters further where there is a parking lot on the left. Approx. 300 meters  
There is also a third car park on the right opposite the De Trits Sports Centre. There is also parking opposite and behind Sports Centre De Trits.

From the Baarn exit (near Nijhof) turn left at the bottom of the exit. Go straight on roundabout, turn left at the next roundabout (3rd exit Drakenburgerweg, later De Geerenweg) and you will come across the car parks in the reverse order as described above.

**GPS : 52.218708, 5.292776**
